

Restore the Outdoor Altar

Phase one of three was completed last summer. The cross, paver landing, and all outside bronze statues were renewed. All expenses of last year were paid with your donations.

Thank You to All!

This spring we would like to start phase two of three. This will be removing all marble slabs, repairing and cleaning. The altar foundation will be inspected and repaired as needed. Handicap access onto the altar has to be added. Resetting of the marble and new grouting will be done.

The outdoor altar is the centerpiece of our summer services. The outdoor mass is an important tradition to many visitors and families. To continue this tradition we need to restore and enhance our beautiful marble to its original state. With your help we can start the process this spring. Outdoor mass will continue during the restoration with a portable altar. Please come and experience the Mass under the cross and the Northern Michigan Sky.

Thank you for your past and future support.
